FAQ

What is the difference between a 1-park ticket and a 2-park ticket?

The 1-park ticket offers access to a single chosen universe, ideal for a controlled budget or a relaxed pace. The 2-parks option allows you to visit both sites during the day depending on crowd levels. Choose this if you

Should I buy my tickets in advance or on-site?

Online purchase is highly recommended to guarantee your spot and avoid queues at the ticket windows. You receive a digital access that speeds up entry. On-site, wait times can lengthen during peak season, which reduces y

How to choose between a 1-day ticket and a multi-day ticket?

The 1-day ticket suits active families or short stays with specific goals. The multi-day option adapts to children's pace, crowd peaks, and the desire to savor every detail. Prefer this option for a serene and complete s

Are tickets automatically valid for both parks?

No, cross-park access is not included by default. You must explicitly select the 2-parks option during booking. This distinction allows adjusting the price to your budget and itinerary. Check the mention on your ticket b

How to optimize your route for young children?

Prefer a visit by thematic zones starting with shows and gentle attractions. Avoid rushing by focusing on three or four major experiences. Shaded breaks and staggered schedules preserve the mood and energy of the whole f
